

FORM 15: Digital Download Consent + Use Agreement

From Riz & Oriah:

Every download we share with you is an offering. A transmission. A part of our soul work.

We've poured decades of teaching, channeling, and lived experience into this material. So before you begin using it, we ask that you take a moment to honor the sacred nature of what you're receiving.

This form is not about legal fear—it's about spiritual integrity.

◆ DIGITAL DOWNLOAD AGREEMENT ◆

By accessing or downloading any course content, including PDFs, worksheets, audio, or video files, you agree to the following:

1. **Personal Use Only**

All materials provided are for your individual use as a student of *The Ascension Codes – Create Your Spiritual Career*. You may not share, resell, upload, or distribute them in any form without written permission from Red Eagle Universal Inc.

2. **Respect of Sacred Content**

These materials include original spiritual teachings, transmissions, client tools, and business templates designed by Riz & Oriah Mirza. You agree to hold this content with respect and use it only in ways that reflect ethical, aligned practice.

3. **Attribution & Inspiration**

If you are inspired by the language, ideas, or structures in these materials and wish to adapt something for your own clients, please reference *The Ascension Codes* and credit Riz & Oriah Mirza accordingly. We believe in inspiration—not imitation.

4. **No Redistribution or Hosting**

You agree not to upload these materials to public websites, online forums, shared drives, or social media platforms without express permission. This includes PDFs, audio files, Zoom recordings, or written curriculum.

5. **Energetic Integrity**

By downloading and using this material, you acknowledge that your energy contributes to the collective field of this work. Your integrity matters. If something feels misaligned,

we invite a private conversation—not public assumptions.

Student Signature (Typed or Written): _____

INSTRUCTOR NOTE TO STUDENTS:

You can include this form as part of your course welcome packet or attach it to digital product pages. If you're using Wix, Payhip, Teachable, or Gumroad, it can be embedded as a required checkmark before download.

This keeps your sacred work safe—and your students aligned.
